## MSA NATIONAL CIRCUIT MOTORCYCLE CIRCULAR 3 OF 2015

The following addition to the National Motorcycle Road Racing Championship is made with immediate effect:

### 5. CHAMPIONSHIP SERIES

- b) Apart from at the first race meeting of the season, no practice is permitted at the circuit hosting the next round of the championship series from the date of the immediately preceding championship round, until the start of official practice as listed in the SR's for the championship round in question. This clause does not apply to legitimate participation in any bona fide MSA-sanctioned race meeting that forms part of a recognised MSA club or regional championship series.

The aforementioned notwithstanding, in circumstances where no official practice is scheduled for the day before race day, entered riders may take part in any open practice/track day sessions made available the day before race day. Any such practice/testing made available by a circuit shall be classified as 'unofficial'. This allowance is entirely at the discretion of, and under the control of, the relevant circuit and is conditional on all entered riders being given equal opportunity to participate. The relevant circuit is at liberty to charge a fee for any such sessions made available to riders.
